Fascination Colour

In all times and all cultures colours are an expression and medium of certain feelings and mental spirits. Colours are the expression of a style – and you decide about feeling comfortable in our environment.

Colour is an important element of design in our time. With colour schemes space and surface can be designed harmonically. Colour makes trends – a significant and sustainable development in our environment.

Pastel

Pale colour shades provide calmness and confront clear colours with much energy.

Product name	Dosage	White Cement
ProDesign Pastel 550100	1,3	
ProDesign Pastel 565801	0,7	
ProDesign Pastel 565802	0,7	
ProDesign Pastel 569000	5,3	
ProDesign Pastel 569000	0,3	
ProDesign Pastel 567400	0,3	
ProDesign Pastel 518001	6,7	
ProDesign Pastel 551901	6,7	

Young Color | a breathtaking experience

Immense Experience stands for modern technologies, illusions, contrasts and touchability. It contains warm and cold colour shades – rich in contrast.

Only if we leave the familiar pattern we can rediscover and refind ourselves. This urban life style yearns for controlled disorder.

Product name	Dosage	White Cement
ProDesign YoungColor 514301	6,7	
ProDesign YoungColor 553701	5,3	
ProDesign YoungColor 590600	6,7	
ProDesign YoungColor 590001	6,7	
ProDesign YoungColor 551801	6,7	
ProDesign YoungColor 537500	6,7	
ProDesign Golden Ochre 553201	6,7	

Cottage | Wood

Soft, neutral combinations and muted, soft colour shades provide a comfortable overall feeling. They also imply sophistication and offer a mysterious and dark side.

Product name	Dosage	White Cement
ProDesign Cottage 567801	0,3	
ProDesign Cottage 567801	0,7	
ProDesign Cottage 569101	1,3	
ProDesign Cottage 569102	2,7	
ProDesign Cottage 569102	5,3	
ProDesign Cottage 550101	6,7	

ProDesign Wood 550600	3,3	
ProDesign Wood 562400	5,3	
ProDesign Wood 567800	2,7	
ProDesign Wood 562400	0,7	

Farbtrends 2019 -
REMEI ProDesign

In architecture and design the general turning away from cool colours to warm colour shade prove true.

Spiced Honey – colour of the year – represents this trend. It fully develops in combination with pastel shades.
